

THIS IS NOT RIGHT - IT VIOLATES DEMOCRACY! I just heard that Sinclair Broadcasting's has decided to force their stations to air an anti-Kerry documentary days before the election. Media consolidation is dangerous in this situation.

sinclair is obligated by law to serve the public interest because they use the airwaves free of charge.

Please stop this! Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. This is the AT & T monopoly all over again. Thank you.
